Specific description of work to be completed

Permit becomes void if work does not begin within 180 days or if suspended at any time over the 180 days. Permits issued and inspection made by the city are a public service and do not constitute any representation, guarantee or warrant, either implied or expressed, to any person as to the condition of the building or conformance to applicable construction codes. The Undersigned acknowledges that this application has been read and that the above is correct and agrees to comply with all the ordinances and laws of the City of St. Louis Park regulating building construction. Some or all of the information that you are asked to provide on the application is classified by state law as either private or confidential. Private data is information which generally cannot be given to the public but can be given to the subject of the data. Confidential data is information which generally cannot be given to either the public or the subject of the data. Our purpose and intended use of this information is annually to update our records and records of other governmental agencies required by law. If you refuse to supply the information, the permit may not be issued.
