Repeat Violations within 24 Months	Previous fine doubled up to a maximum of \$2,000
	Fines imposed are double the amount from the previous fine assessed, up to a maximum of \$2,000. The escalated fine amount is based on the number of identical violations within the previous 24 months from the date of the current violation. For example, if there were four (4) occurrences of an identical violation within the previous 24 months of the current violation date that carried a \$50 fine, the fine for the fourth violation would be \$400. (1st violation = \$50; 2nd = \$100; 3rd = \$200; 4th = \$400). Fines reset to the minimum amount if there are no identical violations within the previous 24 months of the current violation.
*Fines in addition to abatement and licensing inspections	Fines listed above may be in addition to fees associated with abatement and licensing inspections.
