

## Dishwasher installation handout

As written in the 2020 Minnesota State Plumbing Codes

**807.3 Domestic Dishwashing Machine.** No domestic dishwashing machine shall be directly connected to a drainage system or food waste disposer without the use of an approved dishwasher air gap fitting on the discharge side of the dishwashing machine or run the discharge line as high as possible under the countertop, securely fastened. Listed air gaps shall be installed with the flood level marking at or above the flood level of the sink or drainboard, whichever is higher.
